

# DIGITAL HEALTH FORUM

20 Nov 2018  
Galleria Ballroom, Level 3  
Grand Copthorne Waterfront Hotel  
Admission is complimentary

The NIHA Digital Health Forum will bring together key thought leaders from the medical-technology industry and various government agencies to discuss the current digital healthcare landscape in Asia-Pacific. Providing a neutral platform for healthcare professionals, regulators, industry and innovators, this forum will discuss issues surrounding healthcare innovation within the region.

This event will be of interest to professionals from medical-device enterprises, healthcare service sectors, and members from both regulatory and government institutions.

This forum will revolve around two interconnected topics:

Digital health initiatives in  
the Asia-Pacific

Regulatory strategies to leverage  
on technological advancements in  
the healthcare system

**This forum aims to provide a platform to generate new ideas for collaborative research projects.**
